

卷之三

121

for 100 ft. 100

Jan 56

NOTE: There is one other aspect of this whole situation which

This is not an OSI job, but is of
CIA interest because it is of
interest to national security; it

That is:

The Mass. flying-saucer CFC
report could be

- (a) product mode hysteria
- (b) gain overexposure
radiate warning system
- (c) overload compensation
facilities.

is not an OSI job, but as a
CIA interest because it is of
interest to national security; it

That is:

~~The~~ Mass flying ~~mission~~ 040
reports could be

- (a) produce mass hysteria
- (b) gain control over
radiation warning system
- (c) overload communication
facilities.
